

The Mission of the Wisconsin Farm Bureau Foundation is to “Support agricultural education and develop agricultural leaders”.

We welcome donations given to our “General Contributions” that can be used in a variety of ways to support the various programs, activities, and projects the Wisconsin Farm Bureau Foundation works with.

To honor or memorialize the special person in your life, your contribution to the Wisconsin Farm Bureau Foundation will help support activities and programs that were important to them. The WFB Foundation support includes Agriculture in the Classroom educational programs and activities, 4-H Key Awards, Wisconsin FFA programs and activities, and the Farm Bureau Institute for developing agricultural leaders. What a wonderful way to say “thank you” to someone that shares this passion and mission.
