

Clean Water Service Project 2012

Wisconsin Farm Bureau Women's Program

We are partnering with **WaterDrops of Hope** and selling reusable water bottles. The proceeds go toward providing clean water for African communities in need.

As an agricultural organization we recognize that water quality is an issue around the world - nearly one billion people lack access to safe, clean water. Let's join together, raise enough money to fund a water project, help an African community with their health, fields, animals, livelihood and completely change their lives.

A **WaterDrops of Hope** reusable water bottle is the gift that keeps giving. When you drink from this bottle, you can be reminded of how you helped others half way around the world.

Our State Goal: Sell 470 water bottles to fund a water project.

BPA Free Acrylic

_____ is helping provide clean water to families in Africa.
(Farm Bureau member)

Name	Phone	Quantity (\$20/bottle)	Paid
1. _____			
2. _____			
3. _____			
4. _____			
5. _____			
6. _____			
7. _____			

Payment should be submitted at time of order.
Make checks payable to WaterDrops of Hope.

This
bottle
provides
**clean
water**
and changes
lives. Girls
return to **school**.
Women begin small
businesses. Men
are no longer too sick
to work. **Food supply**
becomes more reliable
because fields are watered.
Health returns and children
grow up to be productive
members of their **community**.
The cycle of poverty
is broken.
Lives change.
