Join us for the 24th Annual Wisconsin Ag Open to raise funds for the Wisconsin Farm Bureau Foundation!

Date: Tuesday, September 14, 2021
Location: The Oaks Golf Course
4740 Pierceville Rd., Cottage Grove, WI 53527
Format: 4-person team scramble
Times: Registration at 9:30 a.m. - Shotgun start at 10:30 a.m.
At completion of golfing: Appetizers and prizes
Registration fee: \$150 per golfer

Registration and Sponsorship Deadline: August 10, 2021

Please note! We are limiting the outing to 144 golfers to offer maximum golf pleasure and pace on the course! Registration and payment are needed to secure your spot! We will need to follow Dane County Health Department COVID-19 guidelines and restrictions. Realizing that restrictions change without warning, we appreciate your patience and cooperation. Our goal is to have a fun and safe day keeping everyone healthy and safe.

Registration includes:

- 18 holes of golf with cart.
- Gift bag on your cart.
- Food and beverage! Box lunch on the course; and appetizers after golf. Two complimentary drink cards for domestic beer, soda or water.
- Golf contests, mulligan sales and door prizes!

If in the event of mass gathering COVID-19 restrictions, the after-golf appetizer event may need to be replaced with something of similar value.

A few things we learned from using the event registration last year:

- To register multiple golfers, use the drop-down menu under 'Quantity' and then select how many golfers.
- If you don't know who is going to golf with your group, label them with your business/last name 1,2, 3 and 4 (i.e. AITC 1, AITC 2). When you know the names, please email them to me and I'll add them in the order you prefer.
- If you don't want to pay by credit card, choose the Pay by Check option. We will get the registration and then watch for your payment to come in.
- With COVID-19, if you prefer not to share a cart, please email me immediately after registering. They have a limited number of carts available so The Oaks may need to rent more depending on our needs.
- With COVID-19 and restrictions, it will be critical that we have all registrations in by August 10.
