

Shawano County Farm Bureau Donation Request Form

Please make your request at least 60 days in advance

Farm Bureau is committed to working through our grassroots organizations to enhance and strengthen the lives of rural Americans and to build strong, prosperous agricultural communities since 1919.

Shawano County Farm Bureau sets aside resources each year to give back to the local community where our members live. We support organizations like FFA, 4-H and other agribusinesses programs as we believe these programs enhance the future of our organization and our communities.

We value all organizations and their missions in the community, however, these are our focus areas: agriculture, youth in agriculture, rural health and education.

We do not provide support to religious organizations, political parties or political candidates.

As a policy, to help us assess your needs, please answer the questions below. We will consider all proposals based on timeliness and consistency with Farm Bureau's policies; however, completion of this questionnaire does not guarantee support.

Circle the area of interest: Agriculture Agricultural youth
 Rural Health Agriculture Education

Date form submitted _____ Date of event/fundraiser _____

Name of person submitting request* _____

Phone number _____ Email _____

Name of organization _____

Additional contact within the organization _____

Phone number _____ Email _____
