Dunn County Farm Bureau

Dunn County Farm Bureau is pleased to announce that it will be awarding (4) $250.00 higher education scholarships to Dunn County High School seniors graduating in 2023.

The scholarship will be awarded to graduating high school students who are enrolled in an accredited college, university, or technical college. All majors will be considered for the scholarship. This scholarship is open to all students, with preference given to students from Farm Bureau families. This scholarship will be based on the student's past school and community activities, plans for future education, letter of recommendation and essay or cover letter.

A completed application must include the following:

*The completed scholarship application form (see second page, typed preferred)
*One cover letter including how your school or community involvement has shaped your future plans
*One letter of recommendation from an adult of your choice
*Resume (optional)
*Head and shoulder photo to be used for publication purposes (will not be returned)

Completed applicants must be postmarked by April 1, 2023, and mailed to:

Kristyn Jensen
Dunn County Farm Bureau
E3759 370th Avenue
Menomonie, WI 54751
kristynnigon@gmail.com

A certificate of scholarship will be presented to the winners in the spring. The scholarship will be awarded after the student has completed one semester of college or vocational school and has provided a transcript with at least a 2.0 grade point average.
