The Wisconsin Ag in the Classroom program provides agricultural information through teaching resources and lesson plans to help K-12 students develop an understanding of how their food is grown and raised. The program works within existing curricula to provide basic information on the nation’s largest industry: agriculture. Wisconsin Agriculture in the Classroom is a program of the Wisconsin Farm Bureau Federation.

**Position:** AITC Educational Resources Intern

**Description:** Wisconsin Farm Bureau is seeking a responsible, resourceful, and innovative student to intern within the Wisconsin Agriculture in the Classroom program. The individual in this role will gain valuable experience in non-profit work, educational content creation, teacher marketing and networking with professionals in agriculture and education fields.

**Responsibilities:**
- Develop lessons and activity kits relating to Wisconsin soybeans
- Develop lessons and activity kits relating to Wisconsin’s fruit crops
- Develop materials to market educational activities and resources to Wisconsin teachers.
- Assist in communicating about Ag in Classroom programming
- Other duties as assigned

**Qualifications:**
- Undergraduate student enrolled in an agriculture and/or education-related major
- Excellent written and verbal communication skills
- Interest in and knowledge of the agriculture and/or education fields
- Knowledge of education standards
- Detail oriented and organized
- Proficient with basic social media graphic design and content creation
- Ability to independently work on a deadline
- Ability and willingness to collaborate

**Start Date:** November 2023
**End Date:** May 2024

**Job Location:** Remote work available with some travel required to the Wisconsin Farm Bureau office located in Madison. Some travel is required.

**Compensation:** $15/hour, 15-20 hours per week. Mileage reimbursement will be provided for any job-related travel. A laptop will also be provided.

**How to Apply:** Submit resume and cover letter to Beth Schaefer at bschaefer@wfbf.com by November 1, 2023. Please indicate class schedule and availability during fall 2023 and spring 2024.

**Questions:** Contact Beth Schaefer, Coordinator, Wisconsin Agriculture in the Classroom at bschaefer@wfbf.com or 608.828.5644.
