

New Login Process for Member Information and Benefits

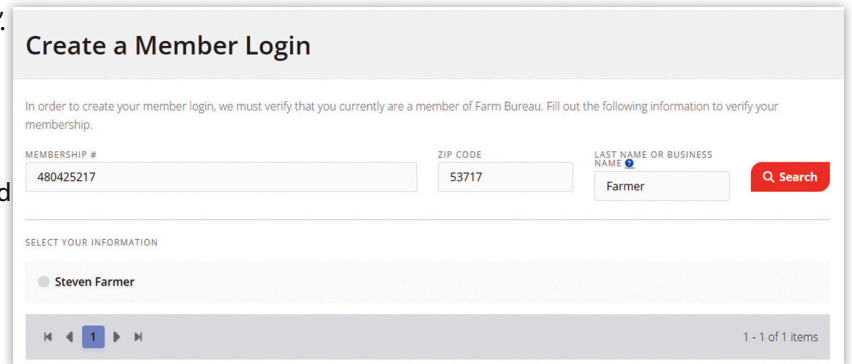

Member Portal

We are excited to share that we now have a member interactive database. This means that with your help, we can provide better service to you, our members.

At the top of wfbf.com, you'll see three buttons: Login, Join, Renew. To create your account and access your member information, you will want to click the login button.

Once you've clicked Login, follow these easy steps to creating your official account.

- 1) Under the [login](#) button, click "Create account".
- 2) Click yes to "Are you a Farm Bureau Member".
- 3) Verify your membership by entering your membership number, zip code and last name. (If you don't know your membership number, you can find it on your Rural Route mailing label listed as your Member ID or by emailing info@wfbf.com.)
- 4) Select your name and click next.
- 5) Create a User name (use your email address).
- 6) Create a password and confirm it.
- 7) Click Register.

Once you are logged in you will have access to update your account information, add additional information, verify communication preferences, access your membership card and sign up for automatic renewal. Throughout the coming months staff will assist you as needed through this transition to a new system. Please be patient and if you have questions, reach out to a staff member or contact info@wfbf.com.

Member Benefits

Member benefits are now located within a private member portal and soon through a mobile app. This helps protect the integrity of our benefits so we can be sure only Farm Bureau members are accessing these exclusive offers.

To login to the system on a computer or phone browser, visit wfbf.com/membership/member-benefits.

A few things to note:

- You will see a prompt to login to access member benefit details.
- First time users seeking to access the member benefits portal will need to create an account. Follow the instructions listed above to create an account. You will need your membership number to do this.
- Returning users should login with their username (email) and password to view members-only content.

If you need more assistance accessing your member benefits, call 1.800.261.FARM (3276).
