

Gather Wisconsin

PRINT MATERIALS

We are continuing to see agriculture leaders find ways they can leverage Gather Wisconsin in their local events. These leverage points drive consumers to our site and help us build this new audience. We want to help you in your program efforts; if you have a consumer-facing activity, there are so many ways we can work together! Check out the resources below for what you can request!

Note: Please allow 10 business days for order and delivery.

Existing Resources

There are a number of resources you are welcome to request and leverage within your local events.

Booth Materials

WFBF District Coordinators are equipped with tablecloths and banners highlighting Gather Wisconsin to use and leverage within your local events.

Informational Materials

General overview materials of Gather Wisconsin are created in-house and are available for your use.

Recipe Cards

Given our large number of recipes, we are able to order cards highlighting them for giveaways.

Stickers

We continue to purchase and stock vinyl stickers and QR Code stickers that you are welcome to request, as well.

Additional Resources

Looking for something else? We happy to work with you to create customized materials that you may order for your event, as well. Staff will assist in designing and ordering materials, but these items are at cost to the county/district. *Note: Please allow 14 business days for custom design projects.*

Custom Handouts

These can include postcards, flyers, information cards, etc. that are relevant to your event's topic or audience.

Custom Disposable Items

If you are looking for logoed napkins, cups, etc for an event, we can help you get those created and ordered!

[Insert Idea Here]

If there is another space where Gather Wisconsin would be a good fit, let us know and we can develop a customized fit for you.
