

# Jackson County Youth Fair Project Grants

Sponsored by

## JACKSON COUNTY FARM BUREAU

The Jackson County Farm Bureau has always been great supporter of the animal exhibitors at the Jackson County Fair. This year we are sponsoring **TEN** - \$100.00 grants to youth to help improve their projects.

The grant is open to any junior fair exhibitor that is enrolled in the following projects: Dairy, Swine, Beef, Goat, Sheep, Equine, Poultry or other agricultural related project. The grant may be used to purchase feed, animals, or equipment needed for the project.

Project participants must show their projects at the Jackson County Fair. To apply for the grant write a brief essay on how the grant will help improve your project, such as helping with feed cost, bedding, supplies, etc. and send along with this form. You can write the essay on the back of this form or on a separate piece of paper.

All applications must be submitted by closing time on Sunday, August 2, 2026 to Nathan Kling or Luke Trapp.

Winners of the grant will be notified after the fair and must attend the Jackson County Farm Bureau Annual Meeting on Date & Location - TBD, WI in order to receive their check. \*If not able to attend the Annual Meeting, you can attend a monthly meeting to receive your award & check. For additional information, please call Nathan Kling at 715-299-4405.
